

2022 Product Catalog

Continuing to inspire for 75 years.

The way we see it, how you serve is just as important as what you're serving. American Metalcraft products elevate food service in every form—restaurants, grocery stores, hotels and catered events alike. To see the difference that incredible presentation can make, look to the little things. Whether we're making barware or buffetware, we find opportunities to incorporate unique details, exceptional functionality and on-trend designs. Our goal is always to make your culinary creations the best possible versions of themselves.

Seventy-five years ago, we broke into the industry by turning hubcaps into deep-dish pizza pans and custom plate covers. We've since grown our product line into an expansive, eclectic collection of food presentation solutions. In these pages, you'll discover creative tabletop accessories, innovative kitchen supplies and every other tool you need to craft an incredible dining experience.

This year we are proud to celebrate our seventy-fifth anniversary being part of this industry that we love. Whether you're a first-time browser or a longtime customer, we hope you find inspiration in our collection. And remember, behind every great meal is great presentation.

THE JANE COLLECTION

Dinnerware has a new standard. The Jane Collection, our “basic” dinnerware line, is anything but ordinary. Simple and versatile by design, these plates, bowls, cups, platters and even sauce cups serve as ideal backdrops for all types of menu items. From low-key lunches to gastronomically-inspired dinners, the possibilities are practically endless.

We chose to craft the Jane Collection from melamine for two reasons: First, it's exceptionally resilient to the bumps, bangs and bounces that find their way into every kitchen. This dinnerware is in it for the long haul. Second, melamine is dishwasher-safe. No matter how you're inspired to fill these blank canvases, cleaning and reusing them is a cinch.
